August Workshop

The Exploring Photographer **CHAD PEACOCK**

The WA Camera is pleased to host a presentation by WA photographer Chad Peacock, an explorer of both our beautiful state and new forms of visual story-telling.

A Hills-based professional, Peacock is committed to creating photographs that “connect, inform and inspire”.

A regular finalist in the Golden Shopping Trolley awards, his landscapes range from dunes to industrial sites . . . and he runs a quirky Instagram that enshrines minimalist architectural delights.

Bring a friend, bring your cup and wear your name badge.

MONDAY 7 AUGUST 7.30pm TUART HILL
